2012 Year of Sweat-less Victories

Once you have done all, God takes over handing you victory after victory

Is 41:8-15

Starting point is Faith: God has declared a very good year laden with sweat= less victories. I'm excited about it and eagerly anticipate what he will do this year. It is very important to apprehend this and start to appropriate it in our lives and circumstances. This is to help you start 2012 the right way and begin to experience the promises God has for you. Last year was very challenging for many and yet in the midst of it, God was establishing destinies as promised. Many were taken from their comfort zones but yet taught to live by faith and provided for in the midst of it all. One important lesson from last year is that God is in control. **The just shall live by faith.** (Hab 2:4, Rom 1:7, Gal 3:11, Heb 10:38).

You need to receive the prophecy:

God related to Noah and he obeyed, Abram was asked to blindly relocate and he did. Moses was sent to the most powerful king in the world with just a stick and a belief in the God that sent him. Jesus relied on every word from his father and took his cue from that. All of the heroes of the Bible received instructions against great odds. When a word of prophecy goes forth you need to receive it and believe it for it to work for you." **Believe in the LORD your God, and you shall be established; believe His prophets, and you shall prosper.**" (2 Chronicles 20:20).

Satan will challenge the word: you must be prepared for an onslaught on the prophecy you have heard and received .it will come, the good news is you have victory in Christ Jesus. **"Satan comes immediately and takes away the word that was sown in their hearts".** (Mark 4:15).

Stand your ground:

You will need to stand on the word of God that has been given to you. Especially when you are under attack and everything looks contrary. **Stand-** (Eph 6:13-14).

God comes on the scene:

After you have heard a word or Rhema or prophecy from a credible source, the first step is to receive it and part of that includes making

warfare with the word in order to own it, then you will need to prepare for the enemy's attack to try to snatch it from you, after you have claimed your victory over him in Christ then you need to stand your ground by putting on the whole armour of God to stand. Then God comes to take care of the opposition and to hand you sweat- less victories.

My prayer for you: In 2012 I pray that you will walk into your sweat less victories: possessing houses you did not build, businesses you did not build, promotions you did not ask for, healing you did not see coming and happiness and joy you did nothing to deserve in Jesus name. God bless.

John 10:10

New Living Translation (NLT)

10 The thief's purpose is to steal and kill and destroy. My purpose is to give them a rich and satisfying life.
